

Copy the Clay Monsters

Materials: google eyes and pipe cleaners cut into 1" pieces, clay and the 9 cards cut out from below.

Directions: If you are using more than one color of clay, use crayons to color in the clay monsters below to match the different colors of clay you are using.

Place on a plate the clay, google eyes, pipe cleaners and one card from below. The child should create the clay monster to match the card. Repeat with other cards.
